((Description of Information sought (upto 500 characters))

* Prayer or Relief Sought	I had asked for the copies of M.Sc. marksheet (both 1st and 2nd year) and certificate of Shri Mayank Mishra. I got a mail that the request has been returned to the applicant. Even in the status on the RTI portal I see that the request has been returned to the applicant. On the status, I see the remark that I need to apply online from university website to receive these certificates and marksheets. This should not have been the case if an RTI is filed. Online application for marksheets and certificates from University website requires the Roll No, which is not available in this case. I have provided the Name, Father"s name, passing year, Course and the Department. As per the RTI, these documents (marksheets and certificate) should have been sent to my address. Details- Name- Mayank Mishra Father"s Name - Shri D D Mishra Department - Earth Science Course - M.Sc. Remote Sensing & GIS Year - 2007
